**UBER TRANSPORTATION PILOT PROGRAM**  
**APPLICATION**

We welcome your interest in the Uber Transportation Pilot Program. This is a program for Sudbury seniors, 60 and over, as well as residents under 60 with a disability. This program is funded with a grant from the **MetroWest Health Foundation** and in partnership with Uber.

In order to participate in the Uber Transportation program- Phase 1, users must be able to use a smartphone with applications (apps). The Uber system runs on an app on a smartphone. Participants in the program will be setting up their own account with Uber, which means sharing a credit card number in order to be billed for rides. Those who register with the Sudbury Senior Center will receive discount codes to use on their rides.

The Uber program is a pilot project and therefore time limited. The goals of the project are to learn more about how the Uber ride system works for older adults and persons with disabilities and whether it works well in Sudbury. Participants in the program agree to provide feedback on their Uber rides and to complete an overall evaluation of the Uber project.

**Agreement:**

As a participant in the Uber Transportation Program, I understand that this application will be shared with Sudbury Senior Center staff involved in the Uber program. Permission is hereby granted for the Sudbury Uber Program Committee, and its Coordinators and Senior Center staff to review this application. I certify that the information provided by me is accurate and complete, and that I will provide written feedback on my Uber ride experiences.

\*Additional forms, including a waiver form, will be available at the orientation meeting.
