Project description

The **Trail Ridge at Harvard** development is under construction on a 40 acre site located on Littleton County Road in Harvard, Massachusetts. The units being sold in this project are made available through a Chapter 40B permitted project with CHAPA as Monitoring Agent. The total project consists of 52 condominium units with 13 affordable units across 21 buildings, each with two-unit attached town houses, and governed by a Condominium Association. Trail Ridge offers two distinct villages, which includes a total of 24 age restricted units and 28 units with no age restriction – 25% of each of these are affordable.

All of the units included in this lottery are 2 Bedroom units will be sold for \$187,400 to eligible applicant households selected by lottery. The Non Age-Restricted units will be available to eligible first-time homebuyers, and the Age Restricted units will be available to eligible 55+ age qualified buyers. The units will have a Condominium Association fee of \$139 per month. In addition to mortgage principal, interest and Private Mortgage Insurance payments, homeowners should expect to pay monthly housing expenses of property taxes and condominium association fees. Property owners will be expected to pay property taxes of \$17.15 per \$1000 of purchase price, using 2017 tax rates, or \$260 monthly.

In accordance with the program guidelines, the initial purchase prices are established so that a household is not required to spend more than 30% of the 80% Eastern Worcester Area Median Income (AMI) monthly for housing costs.

This lottery will be used to select eligible households to purchase the remaining attached townhouse units, 4 non age-restricted units, and 2 age-restricted units. The affordable units will be completed as the market rate units are sold; the planned schedule may vary without notice based on market sales.

Notice of the lottery will be advertised, and communicated widely through local, regional and state channels.

An application will be considered complete when all required items on the checklist have been provided. Applicants are encouraged to complete the checklist as an aide to the process. The value of necessary personal property (furniture, vehicles) is excluded from asset values. Equity from the sale of any home will be included with other household assets that cannot exceed the household asset value limits noted above. An imputed 0.06% of asset value will be included in the income calculation.
6. For the non-age restricted units, eligible applicants must be a First-time Homebuyer. This is further defined as a household that has not owned a home within three years, including in Trust, preceding the application, with the exception of displaced homemaker, single parents and senior households (at least one household member is 55 or over). 9. All applicants will be screened for eligibility. Applicants who have been deemed ineligible will be notified in writing of the decision and given time to contact the lottery agent in writing to disagree with the determination.

12. The lottery numbers will be pulled randomly by an independent third party in a public setting. Lottery numbers will be assigned a number in the sequence in which they are drawn and recorded in the order of selection on the Lottery Drawing Lists. The list of numbers drawn will be posted and letters will be mailed within three business days to the winners.
13. Once the tickets have been randomly drawn and listed in the drawn order, the units are then awarded based on bedroom size within each lottery pool. 15. The winners will sign a reservation form and provide a \$1,000 deposit in the form of a certified or bank check within a mutually agreed upon timeframe. This is applied to the overall purchase amount.
