Subject: Sudbury Station opposition

Dear Board of Appeals and Board of Selectman,

I am writing to express my strong opposition to the Sudbury Station proposal. As a mother of two students at Noyes, I can not imagine the construction noise and traffic and disruption this project will cause to abutters including the Peter Noyes School. I grew up in Wayland and remember Sudbury being a quiet, quaint town. I think it has lost a lot of that character already in the past 20 years but this project will forever change the still charming character of the historic town center and I strongly urge you to do the right thing and ensure this does not happen.

Sincerely,

Amber Fairbanks
